

January 2018

Class Climate Webinar Registration Links

January is the last month of live webinars.
Beginning mid-February, advanced topic webinars will be available online.
Information on how to access pre-recorded sessions will be described on the "Extras" Tab in Class Climate when available.

NOTES:

1. All Webinars are conducted using Version 7.1.
2. Webinars include a short break at the half-way point.
3. All times are stated in PACIFIC time, please adjust to your specific Time Zone.
4. It is recommended that you attend Report Creator prior to Statistical Functionality.
