Mr. Juan Alvarez

Report: Course Evaluation General Geology SS17

Dear Juan Alvarez

On the following pages, you will find the evaluation results for the course:

"General Geology" -- conducted: SS17.

Your current response rate for this survey will be displayed in the report header, followed by the individual question detail; followed by your Profile Line report with comparison data against the Departmental Average. The students' comments will be grouped by each comment question.

We encourage you to not only review this student feedback with an open mind, but seek opportunities (no matter how small) to enhance your teaching experience with the next group of students. Our goal is continued improvement and showing you the evaluation comparisons in order to help you see areas for focus.

You are further encouraged to document any changes or enhancements you plan to make and to communicate those plans with your students to indicate their feedback is essential.

If you have any questions about this report or resources available to you, please feel free to contact the Office of Evaluation 555-5555.

Comments....

Your comments are important, please briefly describe what you liked best or what you might suggest for improvement.

- I thought the course was well structured.
- I really enjoyed the course and though the instructor had excellent presentation skills.
- Sometimes i was a bit lost, but the instructor took the time to make sure i had a better understanding
- The pace was a bit slow, but i did provide time for review
- Great class!
- Textbook was too pricey.
- Some of the lab equipment needs updating and/or repair.
- The instructor was excellent :)
- Great Instructor (2 counts)
- The instructor was very knowledgeable and patient
- I never knew geology could be so intertesting
- I thought the homework was excessive, almost too much to complete
- The course was exactly what i had expected
- The pace was a bit fast and i had a hard time keeping up. Should try to teach to a middle ground
- Excellent class.
- The instructor was very patient and took all the time needed to make sure the class stayed together
